Notes to Financial Statement for the Year Ended March 31, 2000

1. The Commission

The Medical Services Commission was established, effective July 1, 1968, by the Government of the Province of British Columbia under the *Medical Service Act* and Regulations to administer and operate the Medical Services Plan.

The legal authority for the Medical Services Commission to administer and operate the Medical Services Plan is the *Medicare Protection Act.*

Under Section 5(4) of the *Medicare Protection Act*, the Commission is a division of the Ministry of Health and Ministry Responsible for Seniors. Medical Services Plan premiums and expenditures are included within the Province's Consolidated Revenue Fund Statement of Revenue and Expenditure, which is audited annually by the Auditor General of British Columbia.

2. Significant Accounting Policies

The Statement of Operations is prepared for the purpose of presenting the expenditures of the Plan and contributions by subscribers and the Province.

The expenditures and contributions are recorded on an accrual basis.

The cost of furniture and equipment is charged to administration expense in the year of acquisition.

The Province of British Columbia pays certain administration, accommodation, data processing and systems salary costs associated with the operation of the Commission.

Service costs include payments for eligible services provided by medical practitioners and other health care practitioners on a fee for service basis according to fee schedules approved by the Commission, and payments on a contract, salaried or sessional basis. The expenditures include estimates of claims, for services performed in the year, that were unpresented or unprocessed at March 31, 2000.

3. Contributions

Premium revenue consists of the Medical Services Plan premiums paid by subscribers.

Premium assistance represents the value of subsidy provided by the Province on behalf of eligible persons.

General contributions represent the net amount paid by the Province to fully meet the expenditure of the Commission.

UNAUDITED SCHEDULE OF PAYMENTS BY THE MEDICAL SERVICES PLAN TO SOCIETIES, HOSPITALS, HEALTH DEPARTMENTS, HEALTH ORGANIZATIONS, PRACTITIONERS, AND CLINICS FOR INSURED SERVICES.

This schedule of payments is published in compliance with the *Financial Information Act* and B.C. Regulation 131/87 and lists the gross payments made for the cost of insured services paid to each individual account of more than $10,000 during the fiscal year ending March 31, 2000. All other accounts are shown as a consolidated total.

Payments are reported under the practitioner who performed the services, except when the practitioner is associated with a hospital or laboratory, or the services are for certain diagnostic procedures. These payments are reported under the facilities billing the service. Payments made on behalf of the Insurance Corporation of British Columbia and the Workers' Compensation Board are not included in the payment amount. Payments made to physicians for services referred by registered midwives are not included in the payment amount.

Persons reading these data should understand that they provide only a record of gross payments. Since practitioners must pay the expenses of their practice out of this gross amount, no calculation of a practitioner's net income can be made from such figures.

The information provided is listed alphabetically by person, group, clinic, or hospital, and reflects the total amounts paid to a particular account. No conclusions can be drawn from these figures about the relative net income of any practitioner since overhead varies greatly from practitioner to practitioner, and since in some instances the recorded figure is a payment for the services of a number of practitioners.

The Chair and all staff of the Commission and the Medical Services Plan are public servants. Therefore, details of employee salaries, wages, travel expenses and payments to suppliers for administrative services are included in the Public Accounts of the Province of British Columbia.
